1. In pursuant to the General Circular Nos.14/2020 dated 8th April 2020, 17/2020 dated 13th April 2020, 20/2020 dated 5th May 2020, 02/2021 dated 13th January, 2021, 21/2021 dated 14th December, 2021, 02/2022 dated 5th May 2022 and the latest circular No. and 10/2022 dated 28th December, 2022 ("MCA Circulars") and The Securities and Exchange Board of India ("SEBI") pursuant to its Circular No. SEBI/HO/CFD/CMD1 /CIR/P/2020/79 dated 12th May 2020 (the validity of which had been extended till December 31, 2021 by SEBI, vide its Circular No. SEBI/HO/CFD/CMD2 /CIR/P/2021/ 11 dated January 15, 2021) and Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 13th May, 2022 and SEBI/HO/CRD/PoD-2/P/CIR/2023/4 dated 5th January, 2023 ("SEBI Circulars"), and any other applicable circulars issued in this regard have permitted the companies to conduct their Annual General Meeting ('AGM') through Video Conferencing (VC) or Other Audio Visual Means (OAVM) till 30th September, 2023 without physical presence of the Members at a common venue.
2. In accordance with the applicable provisions of the Act, the said circulars of MCA and SEBI and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the 35th AGM of the Company shall be conducted through Video Conferencing ("VC") / Other Audio Visual Means ("OAVM"), which does not require physical presence of members at a common venue. The deemed venue for the 35th AGM shall be the Registered Office of the Company. The detailed procedure for participation in the meeting through VC/OAVM is annexed hereto.
3. In terms of the MCA Circulars, since the physical attendance of Members has been dispensed with, there is no requirement of appointment of proxies. Accordingly, the facility of appointment of proxies by Members under Section 105 of the Act will not be available for the 35th AGM. However, in pursuance of Section 112 and Section 113 of the Act, representatives of the Members may be appointed for the purpose of voting through remote e-Voting, for participation in the 35th AGM through Video Conferencing Facility and e-Voting during the 35th AGM.
4. Body Corporates whose Authorised Representatives are intending to attend the Meeting through VC/OAVM are requested to send to the Company at insilco2@gmail.com, a certified copy of the Board Resolution authorising their representative to attend and vote on their behalf at the Meeting through e-voting or through remote e-voting.
5. National Securities Depositories Limited ("NSDL") will be providing facility for voting through remote e-Voting, for participation in the 35th AGM through VC/OAVM Facility and e-Voting during the 35th AGM.
6. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
7. In line with the MCA Circulars and SEBI Circular, the Notice of AGM along with Annual Report 2022-23 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company/ Depositories. Members may note that Notice and Annual Report for the Financial Year 2022-23 has been uploaded on the website of the Company at www.insilcoindia.com. The Notice can also be accessed on the website of BSE Limited at www.bseindia.com and the AGM Notice is also available on the website of NSDL at

www.evoting.nsdl.com (Agency for providing the Remote e-Voting facility).

8. Since the AGM will be held through VC/OAVM Facility, the Route Map is not annexed in this Notice.
9. The Members can join the AGM through the VC/OAVM mode 15 minutes before the time scheduled for the commencement of the Meeting by following the procedure mentioned in the Notice. Members may note that the VC/OAVM Facility, provided by NSDL, allows participation of at least 1,000 Members on a first-come-first-served basis. The large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders' Relationship Committee, Auditors etc. will be allowed to attend the AGM without restriction on account of first come first served basis.

10. Voting through Electronic means

- i. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India ("ICSI") and Regulation 44 of Listing Regulations read with MCA Circulars and SEBI Circulars, the Company is providing remote e-Voting facility to its

Members in respect of the business to be transacted at the 35th AGM and facility for those Members participating in the 35th AGM to cast vote through e-Voting system during the 35th AGM.

II. Instructions for Members for Remote e-Voting are as under:-

- i. The remote e-Voting period will commence on Friday, 15th September, 2023 (09:00 am IST) and end on Tuesday, 19th September, 2023 (05:00 pm IST). During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e., Wednesday, 13th September, 2023 may cast their vote by remote e-Voting. The remote e-Voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently.

B. Results of Operations

As you would be aware, the plant operations of your company continue to be suspended since October 26, 2019 due to refusal of "Consent to Operate" by Uttar Pradesh Pollution Control Board (UPPCB) vide its orders dated October 22, 2019. The Company filed Fresh Applications dated November 21, 2019, for Consent to Operate, however, the same were dismissed by the UPPCB vide order dated February 4, 2020. The Board of your Company after due consideration unanimously agreed not to pursue the matter any further.

Sales of Precipitated Silica during the year were Nil (previous year Nil). The Production during the year was Nil (previous year Nil).

Your Company achieved a sales turnover of Rs. Nil during the year as compared to Nil in the previous year. The Company recorded a loss before depreciation and exceptional items of Rs. (75.76) million as compared to loss before depreciation and exceptional items of Rs. (107.62) million in the previous Financial Year. The Company had reserves of Rs. (463.42) million as on 1st April 2023. The total comprehensive loss for the Financial Year 2022-23 was Rs. (76) million.

The Board had decided to initiate the Voluntary Liquidation Process as envisaged under the

provisions of the Insolvency & Bankruptcy Code, 2016 ("Code"). In this regard, the Board granted its in - principle approval for initiating the voluntary liquidation process of the Company in its meeting dated March 30, 2021 and accordingly on May 31, 2021, the consent of the Board of Directors was accorded to initiate the voluntarily liquidation process of the Company in accordance with the provisions of Section 59 of the Code and appoint an Insolvency Professional duly registered with the Insolvency and Bankruptcy Board of India as the Liquidator to conduct the liquidation process. The decision of the Board was also followed by similar resolutions being approved by the shareholders of the Company in the Extra-Ordinary General Meeting held on June 25, 2021 in accordance with Section 59(3)(c)(i) of the Code. Furthermore, the said resolutions were also approved by the Creditors representing two-thirds in value of the debt of the Company as required under the Section 59(3) of the Code on June 29, 2021.

Accordingly, with effect from June 25, 2021, the Company is under Voluntary Liquidation Process and Mr. Chandra Prakash (having registration no. IBBI/IPA-002/IP-N00660/2018-2019/12023) was appointed as the Liquidator of the Company. During the financial year 2022-23, the consent of the members of the Company is accorded in their meeting held on November 22, 2022 to replace

Mr. Chandra Prakash as the Liquidator of the Company and appoint Ms. Kapila Gupta, an Insolvency Professional duly registered with the Insolvency and Bankruptcy Board of India and holding Registration Number: IBBI/IPA-001/IP-P-02564/2021-2022/13955, as the Liquidator of the Company who is discharging her functions and duties provided in the Code and the IBBI (Voluntary Liquidation Process) Regulations, 2017 ("VL Regulations").

2. TRANSFER TO RESERVES

The Company had reserves of Rs. (463.42) Million as on 1st April 2023. The total comprehensive loss for the Financial Year 2022-23 was Rs. (80.93) Million. Therefore, the closing balance of the Reserves and Surplus as on 31st March, 2023 amounted to Rs. (544.35) Million.

3. DIVIDEND

No dividend is recommended considering the operational performance of the Company.

4. OPERATIONS AT PLANT

The operations of the plant of your Company at Gajraula continue to remain suspended as on the date of this report. The plant head, however, is regularly discharging his duties towards complying with legal requirements and compliances.

5. STATEMENT ON RISK MANAGEMENT POLICY

The plant operations have been permanently suspended. As a result, the risks pertaining to the efficiency of plant operations, plant costs and market share are no longer applicable.

The Risk Management Policy, is available on the website of the Company at the following path: <https://www.insilcoindia.com/Pdf/Risk%20Management%20Policy.pdf>

6. WRIT PETITION FILED BEFORE THE HON'BLE HIGH COURT OF JUDICATURE AT ALLAHABAD

During the year that ended March 31, 2021, the Company had preferred a Writ Petition against the Uttar Pradesh State Industrial Development Authority ("UPSIDA") titled "Insilco Limited v. State of U.P and Anr." being Writ Petition No. 9669 of 2021, before the Hon'ble High Court of Allahabad ("Hon'ble High Court") for quashing/ setting aside the impugned letters dated July 1, 2020, July 24, 2020 and December 22, 2020 issued by UPSIDA, ("Writ Petition") through which UPSIDA had imposed various conditions on the Company with respect to transfer levy, maintenance charges, increase in lease rent, execution of a fresh lease deed which will entail additional liability towards stamp duty and registration charges on the Company, revision of lease rent and restriction on the Company from transferring controlling interest for a period of 5 (Five) years from July 1, 2020 and on December 24, 2020, the Company had deposited a sum of INR 8.66

Crores (including interest of INR 57 lakhs) to UPSIDA under protest for the same.

The Company filed a withdrawal application for withdrawing the said Writ Petition since UPSIDA had sought withdrawal of the Writ Petition as a pre-condition for considering the request of the Company for issuance of the no objection certificate by UPSIDA for transfer of the Company's leasehold interest under the lease deed dated March 20, 1991 in favour of the successful bidder identified through the auction process under the Company's voluntary liquidation process. Accordingly, the Hon'ble High Court of Allahabad vide its order dated September 01, 2022 has allowed the Company's application for withdrawal of the Writ Petition with liberty to file a fresh petition in case the dispute is not settled amicably.

7. DIRECTORS' RESPONSIBILITY STATEMENT

Based on the framework of internal financial controls and compliance systems established and maintained by the Company, the work performed by the internal, statutory and secretarial auditors and external consultants, including the audit of internal financial controls over financial reporting by the Statutory Auditors and the reviews performed by management and the relevant board committees, including the Audit Committee, the Board is of the opinion that the Company's internal financial controls were adequate and effective during the Financial Year 2022-23. Pursuant to Section 134 (5) of the Companies Act, 2013, the Directors to the best of their knowledge and ability, state that:

- (a) in the preparation of the annual accounts for the year ended 31st March, 2023, the applicable accounting standards have been followed along with a proper explanation relating to material departures;
- (b) they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the Financial Year ended 31st March, 2023 and of the profit and loss of the Company for that period;
- (c) they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) In view of matter described in note 33 of Financial statements, the Board of Directors are of the view that there are no realistic alternatives for resumption of the Company's operations and accordingly, use of the going concern basis of accounting in the preparation of the financial statements is considered inappropriate and the financial statements for the year ended March 31, 2023 have not been prepared on a going concern.

The Company's management has assessed carrying value of assets and liabilities and based on current estimates adjustments have been made in the books of account year ended March 31, 2023 (refer note 33 of financial statements).

- (e) the directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- (f) the directors had devised proper systems to ensure compliances with the provisions of all applicable laws and that such systems were adequate and operating effectively.
- (g) the Company has complied with the Secretarial Standards-1 (Meetings of Board of Directors) and Secretarial Standards-2 (General Meetings) issued and amended from time to time, by the Institute of Company Secretaries of India.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF INSILCO LIMITED (UNDER LIQUIDATION)

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying financial statements of **Insilco Limited (Under Liquidation)** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and the loss, total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

We draw your attention to the following matters:

a) Refer Note 33 (a) to the financial statement is regarding suspension of the Company's manufacturing operations due to rejection of the Company's applications for water and air consent approvals by the U.P. Pollution Control Board (UPPCB) vide its order dated October 22, 2019. The Company's appeals before the Special Secretary, Department of Environment, UP have been dismissed by the Special Secretary vide orders dated December 4, 2020. As stated in the said note, the Board of Directors recommended voluntary liquidation of the Company and accordingly, use of the going concern basis of accounting in the preparation of the financial statements is considered inappropriate as there are no realistic alternatives for resumption of the Company's operations and accordingly, the financial statement for the year ended March 31, 2023 have not been prepared on a going concern basis. Further, as stated in Note 33 (b), with effect from June 25, 2021 the Company is under Voluntary Liquidation Process subsequent to consent of the Board on May 31, 2021 and approval of the shareholders and creditors of the Company to voluntarily liquidate the Company and appointment of a Liquidator in accordance with Section 59 of the Insolvency & Bankruptcy Code, 2016 ("Code"). Further, as described in notes 33 (c) to the financial statement, future course of action, during the voluntary liquidation process, being adopted for realisation of the Company's assets and settlement of

its liabilities might affect the classification and consequential adjustments to the carrying values of assets and liabilities of the Company, the impact of which on the financial results in the Statement cannot be ascertained at this stage.

- b) Refer Note 34 to the Statement regarding letter dated July 1, 2020 of Uttar Pradesh State Industrial Development Authority (UPSIDA) granting conditional approval of the change in Shareholding and Directors in earlier years subject to payment of proportionate transfer levy amounting to INR.809 lakhs, restriction on transfer of controlling interest for five years, execution of fresh lease deed with the Company, increase in lease rent during remaining period of lease of land and compliance with other conditions. As described in the said note, the company has deposited transfer levy of INR 809 Lakhs along with interest of INR 57 Lakhs under protest which was expensed off during the year ended March 31, 2021 and has contested before UPSIDA that the aforementioned other terms and conditions in respect of the lease are not applicable to the Company. As described in the said note, the Company has filed writ petition before the Hon'ble Allahabad High Court in this regard during the year ended 31st March 2021. During the year under audit Company had filed the application for withdrawal of writ petition and Hon'ble High Court of Allahabad vide its order dated September 01, 2022 has allowed the Company's application for withdrawal of the Writ Petition. Further adjustments, if any, will be made upon final resolution of the matter i.e on grant of NOC by UPSIDA as stated in the note.
- c) Refer Note 35 to the Statement regarding ongoing proceedings before the Office of Deputy Labour Commissioner/ Assistant Labour Commissioner (DLC/ALC) in connection with claims of thirty-six employees of the Company seeking their reinstatement in the Company along with certain other reliefs from the Company alleging that their services were illegally terminated by paying the amount as per the Voluntary Retirement Scheme (VRS) and that the VRS was not specifically asked for by the employees.

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the Basis for Qualified Opinion section above, we have determined that there are no other key matters to be communicated in our report.

Other Matter

The audit of financial statements for the year ended March 31, 2022 were conducted by the predecessor statutory auditors of the company, who had expressed an qualified opinion on those financial statements. The basis of qualified opinion, expressed by predecessor statutory auditors, are being continued and forms basis of qualified opinion of this report.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The above reports are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls,

that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If

we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, except for the indeterminate effect of the matters described in the Basis for Qualified Opinion paragraph section of our report, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income,

Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

- d) In our opinion, except for the indeterminate effect of the matters described in the Basis for Qualified Opinion paragraph section of our report, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) The matters described in the Basis for Qualified Opinion section of our report may have an adverse effect on the functioning of the company.
- f) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion section of our report.
- h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- i) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 26 to the financial statements;
 - ii. There is no such case for which the Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either

individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any

guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid any dividend during the year.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Insilco Limited (Under Liquidation) of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Insilco Limited (Under Liquidation)** ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including

adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our qualified opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

According to the information and explanations given to us and based on our audit, a material weakness in the Company's internal control system has been identified as at March 31, 2023 in the period end financial reporting process as we were unable to obtain sufficient appropriate evidence with respect to operating effectiveness of the

Company's internal control for the evaluation and assessment of carrying value of certain assets and liabilities along with the classification, presently under litigation as described in note 34 and 35 of the financial statements, along with the related uncertainty over the future course of events in respect of realisation of the assets and settlement of its liabilities as described in note 33 of the financial statements.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company for the year ended March 31, 2023 and the material weaknesses referred to in paragraph "Basis of qualified opinion" have affected our opinion on the financial statements of the Company and we have issued a qualified opinion on the financial statements. Refer Basis of Qualified Opinion section of the main audit report.

In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has incurred cash losses of Rs. 80,747 ('000) during the financial year covered by our audit and Rs. 106,333 ('000) the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. The Company is in the Voluntary Liquidation Proceedings under the Insolvency and Bankruptcy Act 2016 and accordingly use of going concern as basis of preparation of financial statements is not considered to be appropriate.
- xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
- xxi. As company do not have any subsidiary/associate/joint venture hence requirement of making consolidated financial statements is not there. Hence reporting under clause 3(xxi) is not applicable.

Notes to financial statements for the year ended March 31, 2023

Company Background

Insilco Limited (Under Liquidation) (the 'Company') is a subsidiary of Evonik Operations GmbH, Germany (formerly known as Evonik Degussa GmbH). The Company is domiciled in India and its registered office is located at A-5, UPSIDC Industrial Estate, Bhartiagram, Gajraula, Uttar Pradesh. The Company is a public company and is incorporated under the provisions of the Companies Act, 1956. Its shares are listed on Bombay Stock Exchange. The Company is engaged in the manufacturing and selling of precipitated silica. Insilco produces different grades of precipitated silica, catering to the requirements of customers in different industries. Also refer Note 33.

The financial statements were approved and authorized for issue with a resolution of the Company's Board of Directors on May 30, 2023.

Note 1: Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

(i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015, as amended] and other relevant provisions of the Act.

In view of matter described in note 33, the Board of Directors are of the view that the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate and therefore, the financial statements for the year ended March 31, 2023 have not been prepared on a going concern basis. The Company management has assessed carrying value of assets and liabilities and based on current estimates, certain adjustments have been made in the books of account which are described in Note 33.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities that is measured at fair value;
- Defined benefit plans – plan assets measured at fair value

(iii) New and amended standards adopted by the Company

The Company has applied the following amendments to Ind AS for the first time for their annual reporting period commencing 1 April 2021:

- Extension of COVID-19 related concessions – amendments to Ind AS 116

Interest rate benchmark reform – amendments to Ind AS 109, Financial Instruments, Ind AS 107, Financial Instruments: Disclosures, and Ind AS 116, Leases.

The amendments listed above did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

(iv) New amendments issued but not effective

The Ministry of Corporate Affairs has vide notification dated 23 March 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amends certain accounting standards, and are effective 1 April 2022. These amendments are not expected to have a material impact on the group in the current or future reporting periods and on foreseeable future transactions.

Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. Refer note 31.

(b) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates. The financial statements are presented in Indian Rupee (INR), which is Insilco Limited's (Under Liquidation) functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the date of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in the statement of profit and loss. They are deferred in equity if they relate to qualifying cash flow hedges.

All foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses).

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Transaction differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognized in profit or loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognized in other comprehensive income.

(c) Revenue recognition**Sale of goods**

Timing of recognition: The Company manufactures and sells precipitated silica. Sales are recognized when control of the products has transferred, being when the products are delivered to the customer, the customer has full discretion over the price to sell the products, and there is no unfulfilled obligation that could affect the customer's acceptance of the products. Delivery occurs when the products have been shipped to the specific location, the risks of obsolescence and loss have been transferred to the customer, and either the customer has accepted the products in accordance with the sales contract, the acceptance provisions have lapsed, or the Company has objective evidence that all criteria for acceptance have been satisfied.

Measurement of revenue: Revenue from sales is based on the price specified in the sales contracts, net of estimated volume discounts, rebates, cash discounts, and value added taxes, Goods and Service Tax and returns at the time of sale. No element of financing is deemed present as the sales are made with a credit term of 30 to 90 days, which is consistent with market practice.

A receivable is recognized when the goods are delivered as this is the point in time that the consideration is unconditional because only the passage of time is required before the payment is due.

Sale of services

The Company provides freight services for export transactions after transferring the control of goods. Revenue from providing services is recognized over the period of services rendered.

(d) Government grants

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Government grants relating to income are deferred and recognized in the statement of profit and loss over the period necessary to match them with costs that they are intended to compensate and presented with other income.

(e) Income Taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the statement of profit and loss, except to the extent that it related to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

(f) Leases

As a lessee

Leases are recognized as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Company. Contracts may contain both lease and non-lease components. The Company allocates the consideration in the contract to the lease and non-lease components based on their relative stand-alone prices. However, for leases of real estate for which the Company is a lessee, it has elected not to separate lease and non-lease components and instead accounts for these as a single lease component.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentive receivable
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date
- amounts expected to be payable by the Company under residual value guarantees
- the exercise price of a purchase option if the Company is reasonably certain to exercise that option, and
- payments of penalties for terminating the lease, if the lease term reflects the Company exercising that option

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in similar economic environment with similar terms, security and conditions.

To determine the incremental borrowing rate, the Company:

- where possible, uses recent third-party financing received by the individual lessee as a starting point, adjusted to reflect changes in financing conditions since third party financing was received
- uses a built-up approach that starts with a risk-free interest rate adjusted for credit risk for lease held by the Company, which does not have recent third party financing, and
- makes adjustments specific to the lease, e.g. term, country, currency and security.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs, and
- restoration costs

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis.

Payments associated short-term leases of equipment and all leases of low value assets are recognized on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less.

(g) Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount

exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's cash-generating units to which the individual assets are allocated.

Impairment losses are recognized in the statement of profit and loss. After impairment depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

Refer Note 33(c)

(h) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(i) Trade receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment.

(j) Inventories

Raw materials, stores and spares and packing materials are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, stores and spares and packing materials is determined on a weighted average basis.

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost is determined on a weighted average basis.

Cost of inventories include all other costs incurred in bringing inventories to their present location and condition. Cost of purchased inventory are determined after deducting rebates and discounts.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(k) Non-current assets held for sale

Non-current assets (or disposal group) are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.

An impairment loss is recognized for any initial or subsequent write-down of the asset (or disposal group) to fair value less costs to sell. A gain is recognized for any subsequent increase in fair value less costs to sell of an asset (or disposal group), but not in excess of any cumulative impairment loss previously recognized. A gain or loss not previously recognized by the date of the sale of the non-current asset (or disposal group) is recognized at the date of de-recognition.

Non-current assets (including those that are part of a disposal group) are not depreciated or amortized while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a disposal group classified as held for sale continue to be recognized.

Non-current assets classified as held for sale and the assets of a disposal group classified as held for sale are presented separately from the other assets in the balance sheet. The liabilities of a disposal group classified as held for sale are presented separately from other liabilities in the balance sheet.

(I) Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in the statement of profit and loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Recognition

Regular way purchases and sales of financial assets are recognized on trade-date, the date on which the Company commits to purchase or sale the financial asset.

(iii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the statement of profit and loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- **Amortized cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in the statement of profit and loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the statement of profit and loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to the statement of profit and loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gain and losses are presented in other gains and losses and impairment expenses in other expenses.
- **Fair value through profit or loss:** Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in the statement of profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the statement of profit and loss. Dividends from such investments are recognized in the statement of profit and loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognized in other gain/(losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(iv) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 30 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

For recognition of impairment loss on other financial assets, the Company assesses whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. For assessing increase in credit risk and impairment loss, the Company assesses the credit risk characteristics on instrument-by-instrument basis. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL. The amount of expected credit loss (or reversal) for the period is recognized as expense/income in the statement of profit and loss.

(v) Derecognition of financial assets

A financial asset is derecognized only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where an asset has been transferred, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

(vi) Income recognition

Interest is recognized using the effective interest rate (EIR) method, as income for the period in which it occurs. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

(m) Derivatives and hedging activities

Derivatives are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged and the type of hedge relationship designated.

The Company designates their derivatives as hedges of foreign exchange risk associated with the cash flows of firm commitments (cash flow hedges).

The Company documents at the inception of the hedging transaction the economic relationship between hedging instruments and hedged items including whether the hedging instrument is expected to offset changes in cash flows of hedged items. The Company documents its risk management objective and strategy for undertaking various hedge transactions at the inception of each hedge relationship.

The full fair value of a hedging derivative is classified as a non-current asset or liability when the remaining maturity of the hedged item is more than 12 months; it is classified as a current asset or liability when the remaining maturity of the hedged item is less than 12 months. Trading derivatives are classified as a current asset or liability.

(i) Cash flow hedges that qualify for hedge accounting

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognized in the other comprehensive income in cash flow hedging reserve within equity, limited to the cumulative change in fair value of the hedged item on a present value basis from the inception of the hedge. The gain or loss relating to the ineffective portion is recognized immediately in the statement of profit and loss, within other gains/(losses).

The entity designates the full change in fair value of the forward contract (including forward points) as the hedging instrument. In such cases, the gains and losses relating to the effective portion of the change in fair value of the entire forward contract are recognized in the cash flow hedging reserve within equity.

When a hedging instrument expires, or is sold or terminated, or when a hedge no longer meets the criteria for hedge accounting, any cumulative deferred gain or loss of hedging in equity at that time remains in equity until the forecast transaction occurs. When the forecast transaction is no longer expected to occur, the cumulative gain or loss of hedging that were reported in equity are immediately reclassified to the statement of profit and loss within other gains/(losses).

If the hedge ratio for risk management purposes is no longer optimal but the risk management objective remains unchanged and the hedge continues to qualify for hedge accounting, the hedge relationship will be rebalanced by adjusting either the volume of the hedging instrument or the volume of the hedged item so that the hedge ratio aligns with the ratio used for risk management purposes. Any hedge ineffectiveness is calculated and accounted for in the statement of profit and loss at the time of the hedge relationship rebalancing.

(ii) Embedded derivatives

Derivatives embedded in a host contract that is an asset within the scope of Ind AS 109 are not separated. Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Derivatives embedded in all other host contract are separated only if the economic characteristics and risks of the embedded derivative are not closely related to the economic characteristics and risks of the host and are measured at fair value through profit or loss. Embedded derivatives closely related to the host contracts are not separated.

Embedded foreign currency derivatives

Embedded foreign currency derivatives are not separated from the host contract if they are closely related. Such embedded derivatives are closely related to the host contract, if the host contract is not leveraged, does not contain any option feature and requires payments in one of the following currencies.

- the functional currency of any substantial party to that contract,
- the currency in which the price of the related good or service that is acquired or delivered is routinely denominated in commercial transactions around the world.
- a currency that is commonly used in contracts to purchase or sell non-financial items in the economic environment in which the transaction takes place (i.e. relatively liquid and stable currency)

Foreign currency embedded derivatives which do not meet the above criteria are separated and the derivative is accounted for at fair value through profit and loss.

(n) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

(o) Property, plant and equipment (PPE)

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred.

Transition to Ind AS

On transition to Ind AS, the Company had elected to continue with the carrying value of all of its property, plant and equipment recognized as at April 1, 2016 measured as per the Previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives, which are as follows:

Particulars	Useful life as estimated by management (Years)	Useful life as per Schedule II (Years)
Factory building	30	30
Non- Factory Building:		
- RCC frame*	37	60
- Other than RCC frame	30	30
- Tube well	5	5
- Carpet road-other than RCC	5	5
Electrical Installation and Fittings*	5	10
Air conditioner*	5	10
Computers:		
- Server/Network*	4	6
- End user devices, desktop, laptop etc.	3	3
Office Equipment*	5	10
Furniture and Fixture	10	10
Vehicles*	5	8
Plant and Machinery :		
- Shift base	7.5-15	7.5-15
- Continuous process	25	25
- Reactors/storage tanks/vessels etc.	20	20
- Workshop equipment	15	15
- Laboratory equipments	7.5	7.5
- Components of Plant & machinery	1-25	(As estimated by the management)

Leasehold land is amortized on straight line basis over the period of lease i.e. 90 years.

* The Company has, based on a technical review and re-assessment by the management, decided to adopt the existing useful life for certain asset blocks which is lower as against the useful life recommended in Schedule II of the Companies Act, 2013, since the Company believes that the estimates followed are reasonable and appropriate, considering current usage and geographical location of such assets.

The residual values are not more than 5% of the original cost of the asset. The asset's residual values and useful lives are reviewed and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of profit and loss within other gains/losses).

Refer Notes 3a and 33(c)

(p) Investment properties

On transition to Ind AS, the Company had elected to continue with the carrying value of all of its investment properties recognized as at April 1, 2016 measured as per the Previous GAAP and use that carrying value as the deemed cost of investment properties.

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the company is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowings costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognized. Investment properties are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit or loss in the period of derecognition.

Transfers to or from investment property is made when and only when there is a change in use.

(q) Intangible assets

On transition to Ind AS, the Company had elected to continue with the carrying value of all of intangible assets recognized as at April 1, 2016 measured as per the Previous GAAP and use that carrying value as the deemed cost of intangible assets.

Intangible assets acquired separately are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Software (not being an integral part of the related hardware) acquired for internal use, is stated at cost of acquisition less accumulated amortization and impairment losses if any.

An item of Intangible asset is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

Amortisation methods and periods

The Company amortises intangible assets with a finite useful life using the straight-line method over the following period:

Computer software : 3 years

Refer Notes 5 and 33(c)

(r) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

(s) Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in the statement of profit and loss over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

(t) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

Other borrowing costs are expensed in the period in which they are incurred.

(u) Provisions and contingent liabilities

Provisions are recognized when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognized even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

Contingent Liabilities: Contingent liabilities are disclosed when:

- there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or
- a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent assets: Contingent assets are disclosed when the inflow of economic benefit is probable.

(v) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Normally at initial recognition, the transaction price is the best evidence of fair value.

However, when the Company determines that transaction price does not represent the fair value, it uses inter-alia valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy. This categorization is based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Financial assets and financial liabilities that are recognized at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period.

(w) Employee benefits**(i) Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefits obligations

The liabilities for earned leave, sick leave and long term service award are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in the statement of profit and loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional

right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- Defined benefit plans such as gratuity
- Defined contribution plans such as provident fund, superannuation and national pension scheme

Defined benefit plans

The liability or asset recognised in the balance sheet in respect of gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in the statement of profit and loss as past service cost.

Defined contribution plans

- Provident Fund:

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders the related service, in the statement of profit and loss.

- Superannuation:

The Company has taken group policy with Life Insurance Corporation of India (LIC) to fund its liability towards employee's superannuation. Superannuation fund is administered by LIC and contributions made to the fund are recognized as expenditure in the statement of profit and loss. The Company has no further obligations under the plan beyond its monthly contributions.

- National Pension Scheme:

The Company has registered under the National Pension Scheme to provide postretirement benefit to employees. This is an optional scheme available to employees. The Company has no further obligations under the plan beyond its monthly contributions, which is recognized as expenditure when made, in the statement of profit and loss.

- Bonus Plan

The Company recognizes a liability and an expense for bonuses. The Company recognize a provision where contractually obliged or where there is a past practice that has created a constructive obligation. Also refer Note 14.

- Termination benefits

Termination benefits are payable when employment is terminated by the company before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The company recognize termination benefits at the earlier of the following dates: (a) when the Company can no longer withdraw the offer of those benefits; and (b) when the entity recognizes costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of terminations benefits. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer.

(x) Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown as a deduction, net of tax, from the proceeds.

(y) Earnings per share**(i) Basic earnings per share**

Basic earnings per share is calculated by dividing:

- The net profit or loss for the period attributable to equity shareholders
- by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(z) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest thousand as per the requirement of Schedule III, unless otherwise stated.

Note 2: Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies. This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgements

The areas involving critical estimates and judgements are:

- Estimation of useful life and residual values of property, plant and equipment – Note 3(a)
- Classification of property, plant and equipment as non-current assets – Note 3(a)
- Impairment of property, plant and equipment and intangible assets– Notes 3(a), 5 and 33
- Determination of lease term – Note 3(b)
- Impairment of Right of Use asset – Notes 3(b) and 33
- Fair value of investment properties – Note 4
- Classification of non-current assets as held for sale– Note 33 and 11 (a)
- Impairment of trade receivables – Note 9(a)
- Estimation of defined benefit obligation - Note 14(a) and 14(b)
- Estimation of provision for waste disposal – Note 13(d)
- Provision for litigations and contingent liabilities – Notes 13 (d) and 26
- Recognition of deferred tax assets and liabilities and tax expense – Notes 15 and 24
- Preparation of financial statements not on a going concern – Note 33
- Estimation of amount payable to employees under retention agreement – Note 14
- Recognition of transfer levy charges and interest thereon – Note 34

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

(i) **Estimation of useful life and residual values of property, plant and equipment, Classification and Impairment of property, plant and equipment**

In view of shut down of Company's operations and proposed voluntary liquidation of the Company as described in Note 33, in the year ended March 31, 2021, the Company's management estimated that the Property plant and equipment do not have value from its use in the Company's operations. Accordingly, Management estimated the recoverable amount of assets by assessing the fair value less cost of disposal. The Company engaged an external valuation expert to evaluate recoverable amount of the Property, plant and equipment and estimated recoverable amount of assets based on valuation as of December 31, 2020 as per the valuation report dated February 8, 2021. The carrying amount of the Property, plant and equipment of the Company had been reduced to its recoverable amount by recognition of an impairment loss aggregating to Rs.1,42,320 ('000) in the year ended March, 31 2021. The valuer in its report considered the liquidation value approach appropriate in the circumstances to estimate the recoverable amount of the assets. The basis for liquidation value approach considers the amount that would be realized when an asset or groups of assets are sold on a piecemeal basis that is without consideration of benefits (or detriments) associated with a going-concern business. A forced sale basis transaction with a shortened marketing period is considered for this valuation where the tangible assets are sold quickly, often for an extremely low percentage of their original cost. The valuation is considered to be level 3 in the fair value hierarchy due to unobservable inputs used in the valuation. Refer note 33 (c) for assumptions used in estimating recoverable amounts of the Property, plant and equipment.

The carrying value of assets has been reduced to its recoverable amounts and residual value of assets are equal to or greater than the asset's revised carrying values after impairment loss based on the Company's management estimate. Accordingly, in view of the Company's management depreciation on the assets is not expected to be material and hence no depreciation has been provided for subsequent to recognition of impairment loss. However, any further impairment loss that arise on account of change in estimates is recognised based on evaluation of recoverable amounts of assets on a periodic basis.

In accordance with Ind AS 105, "Non-current Assets Held for Sale and Discontinued Operations", certain items of property, plant and equipment have been included in a disposal group classified as held for sale as at March 31, 2023 as the Company is committed to and expects to recover the carrying value principally through a highly probable sale transaction within one year. Also refer Note 11 and 33(b) for details.

(ii) **Contractual obligation**

Refer to Note 27 for disclosure of contractual commitments for the acquisition of property, plant and equipment.

(All amounts "Rs. in '000" unless otherwise stated)

Note 3 (b) : Leases

This note provides information for leases where the Company is a lessee. The Company had taken land on lease from Uttar Pradesh State Industrial Development Corporation (UPSIDC) for a period of 90 years. The office lease taken from November 1, 2019 for a period of 3 years had been terminated during the previous year.

The Company has not recognised any amount related to investment properties in the Statement of Profit and Loss for the year ended March 31, 2023 and the year ended March 31, 2022.

(ii) Fair Value

Particulars	31-Mar-23	31-Mar-22
Investment property	-	-

Estimation of Fair value:

The Company obtains independent valuation for its investment property at least annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the Company consider information from a variety of sources including:

- current prices in an active market for properties of different nature or recent prices of similar properties in less active markets, adjusted to reflect those differences

(All amounts "Rs. in '000" unless otherwise stated)

- discounted cash flow projections based on reliable estimates of future cash flows
- capitalised income projections based upon a property's estimated net market income, and a capitalisation rate derived from an analysis of market evidence

The fair values of investment properties have been determined based on valuation report of an external independent valuer.

Sales Comparison Method/ Market Survey Method under Market Approach is used to estimate the market value of the land. The prevailing market rates for similar size plots in the same locality is considered after enquiries being done from local property dealers and real estate agents. The rates adopted are based on the geographical location, land size & availability of similar size of land in that vicinity. Further, due consideration has also been given to the various factors, e.g. market rates/ marketability of the Land in the vicinity, recent property deals/transactions, negotiation skills of the buyer/seller, demand and supply of properties, locality, neighborhood, civic amenities, its connectivity to major centers etc., shape, size, prominence, plot area and topography etc., Need/ Urgency of the seller to sell the said property, subject to suitability, accuracy, requirement and professional judgement.

In view of shut down of Company's operations and proposed voluntary liquidation of the Company as described in Note 33 (a) and 33 (c), the liquidation values of the assets have been considered while making the fair value estimates, applying liquidation discount as per market norms and expertise. Valuation assumes that the Company will not be a going concern. The valuation is considered to be level 3 in the fair value hierarchy due to unobservable inputs used in the valuation.

In accordance with Ind AS 105, "Non-current Assets Held for Sale and Discontinued Operations", investment property has been included in a disposal group classified as held for sale as at March 31, 2023 as the Company is committed to and expects to recover the carrying value principally through a highly probable sale transaction within one year. LIC of India	100%	100%
Total	100%	100%

In respect of Employees Gratuity Fund, composition of plan assets is not readily available from LIC of India. The expected rate of return on assets is determined based on the assessment made at the beginning of the year on the return expected on its existing portfolio, along with the estimated increment to the plan assets and expected yield on the respective assets in the portfolio during the year.

(All amounts "Rs. in '000" unless otherwise stated)

(g) Actuarial assumptions

The significant actuarial assumptions were as follows:

Particulars	31-Mar-23	31-Mar-22
Discount rate	N.A.	N.A.
Salary growth rate	N.A.	N.A.
Attrition rate:	N.A.	N.A.
Staff	N.A.	N.A.
Technicians	N.A.	N.A.
Mortality rate	N.A.	N.A.
Retirement age	Contracted date*	Contracted date*

* The Company has entered into retention agreement with certain employees w.e.f. January, 01 2023.

The discount rate indicated above reflects the estimated timing and currency of benefit payments. It is based on the yields / rates available on applicable bonds as on the current valuation date.

The salary growth rate indicated above is the Company's best estimate of an increase in salary of the employees in future years, determined considering the general trend in inflation, seniority, promotions, past experience and other relevant factors such as demand and supply in employment market, etc.

All the actuarial assumptions has been mentioned as N.A. in the current year as no actuarial valuation has been performed considering the Company is in voluntary liquidation and all employees will retire on March 31, 2023. Accordingly, provision has been captured based on actual liability payable.

(h) Expected contribution to the fund in the next year

(i) Sensitivity analysis

Particulars	31-Mar-23		31-Mar-22	
	Decrease	Increase	Decrease	Increase
Discount rate (- / + 1%)	N.A.	N.A.	N.A.	N.A.
(% change compared to base due to sensitivity)	N.A.	N.A.	N.A.	N.A.
Salary growth rate (- / + 1%)	N.A.	N.A.	N.A.	N.A.
(% change compared to base due to sensitivity)	N.A.	N.A.	N.A.	N.A.
Attrition rate (- / + 50% of attrition rate)	N.A.	N.A.	N.A.	N.A.
(% change compared to base due to sensitivity)	N.A.	N.A.	N.A.	N.A.
Mortality rate (- / + 10% of mortality rates)	N.A.	N.A.	N.A.	N.A.
(% change compared to base due to sensitivity)	N.A.	N.A.	N.A.	N.A.

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analyses have changed as compared to the prior period. All the actuarial assumptions has been mentioned as N.A. in the current year as no actuarial valuation has been performed considering the Company is in voluntary liquidation and all employees retired on December 31, 2022. Accordingly, sensitivity analysis has been disclosed as N.A. as none of the above assumptions are used in computing the liability.

(j) Risk exposure

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory frame work which may vary over time. Thus, the Company is exposed to various risks in providing the above gratuity benefit which are as follows:

(All amounts "Rs. in '000" unless otherwise stated)

Interest rate risk: The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).

Liquidity risk: This is the risk that the Company is not able to meet the short-term gratuity payouts. This may arise due to non availability of enough cash / cash equivalents to meet the liabilities or holding of illiquid assets not being sold in time.

Salary escalation risk: The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Demographic risk: The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse as compared to the assumptions.

Asset liability mismatching or market risk: The duration of the liability is longer compared to duration of assets, exposing the Company to market risk for volatilities/ fall in interest rate.

Investment risk: The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

Maturity profile of defined benefit obligation

Weighted average duration (based on discounted cash flows) 1 Year

The expected maturity analysis of gratuity (undiscounted) is as follows :

Particulars		1 year	Between 2 - 5 years	Between 6 - 10 years	Over 10 years	Total
Defined benefit obligation	31-Mar-23	889	-	-	-	889
Total		889	-	-	-	889
Defined benefit obligation	31-Mar-22	8,198	-	-	-	8,198
Total		8,198	-	-	-	8,198

(iii) Defined contribution plans

- **Provident Fund:** Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders the related service.
- **Superannuation:** The Company has taken group policy with Life Insurance Corporation of India (LIC) to fund its liability towards employee's superannuation. Superannuation fund is administered by LIC and contributions made to the fund are charged to revenue. The Company has no further obligations under the plan beyond its monthly contributions.
- **National Pension Scheme:** The Company has registered under the National Pension Scheme to provide post retirement benefit to employees. This is an optional scheme available to employees. The Company has no further obligations under the plan beyond its monthly contributions.

During the year, the Company has recognised the following amounts in the Statement of Profit and Loss:

Particulars	31-Mar-23	31-Mar-22
Provident Fund	450	1,194
Superannuation	362	840
National pension scheme	103	201
Total	915	2,235

(All amounts "Rs. in '000" unless otherwise stated)

(iv) Other long term employee benefits

a) Retention bonus/exgratia arrangements

The Company has entered into retention agreements with certain employees whose services are required in certain specific areas. These retention agreements entitles employees retention bonus and exgratia payments in three tranches over the retention period specified in the agreements which is generally for a period from February 1, 2021 to December 31, 2022. The terms of the retention bonus/exgratia arrangement require the employees to remain in employment during the relevant retention period for each installment. In case an employee leaves during the retention period, unpaid installments are not paid to such employees. Further, the Company may, if so require, may reduce the retention period in which case entire amount becomes due to such employee. The Company management considers this retention bonus/exgratia arrangement as multiple awards with different service periods where the plan's benefit formula is based on each award's individual service period. Further, the Company management consider that these arrangements are long-term in nature.

Accordingly, the expense is recognized for each instalment over the respective service periods where the period of service is the period for which the employee is required to be employed before being unconditionally entitled to the retention bonus/exgratia payments. The liability accrued reflects the present value of expected cash outflows, with any unwind in the discount reflected in the income statement, which is not considered to be material for adjustment. The liability will be assessed and trued up at each reporting date for any changes in expected cash flows or reduction in retention period. During the year Rs. 4,695 ('000) [March 31, 2022 Rs 18,550 ('000)] has been accrued and expensed in the Statement of Profit and Loss. Details are as below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices (in active market) the closing Net Asset Value (NAV) of which the Company can access as on measurement date. The mutual funds are measured using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(All amounts "Rs. in '000" unless otherwise stated)

Valuation technique used to determine fair value

There are no transfers between levels 1 and 2 during the year.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

The carrying amounts of trade payables, cash and cash equivalents, other bank balances, other financial assets and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.

Majorly, the security deposits are redeemable on demand and hence the fair values of security deposits are approximately equivalent to the carrying amount.

The fair values of loan to employees are based on discounted cash flows using a current requisite valuation tax rate. They are classified as level 3 fair values in the fair value hierarchy since significant inputs required to fair value an instrument are not observable. There is no material difference between carrying amount and fair value of loan to employees as on March 31, 2023 and March 31, 2022.

Note 30 : Financial risk management

The Board of Directors of the Company has overall responsibility for the determination of the Company's risk management objectives and policies. The Company's overall risk management policy during the suspension of operations and the ongoing voluntary liquidation process of the Company, as described in notes 33, focusses on conservation of cash, management of other financial assets and liabilities; and regulatory and governmental processes.

The Company's historic activities exposed it to liquidity risk, credit risk and market risk (foreign exchange and price). The Company's financial instruments comprise of cash and cash equivalents, deposits with bank and other items such as prepayments and other receivable, accruals and other payables which arose from its operations. This note presents information about the Company's exposure to each of the above risks, the Board's objectives, policies and processes for measuring and managing risk and management of capital. Further quantitative disclosures are included throughout these financial statements. The Company held no derivative financial instruments as at March 31, 2023 (Previous Year: Nil). A summary of the main risks is set out below:

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost.	Aging analysis	Diversification of bank deposits, credit limits and letters of credit
Liquidity risk	Trade Payable and other Financial liabilities	Rolling cash flow forecasts	Monitoring of available cash and cash equivalents and deposits with banks, committed credit lines and borrowing facilities
Market risk – foreign exchange	Future commercial transactions Recognised financial assets and liabilities not denominated in Indian rupee (Rs.)	Immaterial impact insignificant amount	Amount receivable/payable in foreign currency are not significant

(A) Credit risk

Credit risk mainly arises from cash and cash equivalents, deposits with banks, security deposits with others as well as credit exposures to customers. The maximum exposure arising from these financial assets is their carrying value as disclosed in the balance sheet.

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and deposits with banking institutions. The carrying amounts of financial assets represent the maximum credit risk exposure.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information.

A default on a financial asset is when the counterparty fails to make contractual payments within 180 days when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

(All amounts "Rs. in '000" unless otherwise stated)

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the Company. The Company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 3 years past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. When recoveries are made, these are recognised in statement of profit and loss.

Where there has not been significant increase in credit risk in financial assets (other than trade receivables) expected credit loss is measured on 12 months ECL approach. In case of significant increase in credit risk lifetime expected credit loss approach is used. For trade receivables, expected credit loss is calculated using lifetime credit loss approach (simplified approach).

Year ended 31 March 2023:

Expected credit loss for loans and security deposits

(a) Credit risk management

Cash & cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits account in different banks across the country. Also, no impairment loss has been recorded in respect of fixed deposits that are with recognised commercial banks and are not past due.

Other financial assets measured at amortised cost

Other financial assets measured at amortised cost include security deposits and other assets. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, investment in mutual funds, other balances with banks, loans and other receivables.

The Company has developed guidelines for the management of credit risk from trade receivables. The Company's primary customers are with good credit ratings. Clients are subjected to credit assessments as a precautionary measure, and the adherence of all clients to payment due dates is monitored on an on-going basis, thereby practically eliminating the risk of default.

Credit risk arising from other balances with banks is limited and there is no collateral held against these because the counterparties are banks and recognized financial institutions with high credit ratings assigned by the international credit rating agencies.

The average credit period on sales of products is 30 - 90 days. Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed and accordingly individual credit limits are defined/modified.

Note 31 : Segment Information:**Description of segments and principal activities**

The Company has been engaged in the manufacture of a single product viz. Precipitated Silica.

(All amounts "Rs. in '000" unless otherwise stated)

Operating segments are reported in a manner consistent with the internal reporting to the Chief Operating Decision Maker (CODM) of the Company. The Company has identified Board of Directors as CODM. The CODM is responsible for allocating resources and assessing performance of the operating segments. The Company has monthly review and forecasting procedure in place and CODM reviews the operations of the Company as a whole, hence there are no reportable segments as per Ind AS 108 "Operating Segments". The Company's operations remain shut down from October 27, 2019 as described in Note 33.

- i) The Company did not have any revenue from operations during current and previous year.
- ii) All the non-current assets of the Company are located in India.

Note 32 : Capital management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to maintain an optimal capital structure so as to maximize shareholder value.

The Company has only one class of equity shares and has no debt. Consequent to such capital structure, there are no externally imposed capital requirements.

Note 33:**a) Preparation of financial statements not on a going concern**

The Uttar Pradesh Pollution Control Board ("UPPCB") had, in October 2019 denied the Company's application for renewal of Consent to Operate its plant at Gajraula, Uttar Pradesh under the Water (Prevention and Control of Pollution) Act, 1974 and the Air (Prevention and Control of Pollution) Act, 1974 ("Consent to Operate") inter alia on the following ground:

"The unit is using fresh water for dilution of effluent to achieve the norms of Sodium Absorption Ratio (SAR) 26. The study carried out by IIT Roorkee has not recommended any feasible method for treatment of the effluent to achieve the prescribed norms. The process of dilution with fresh water cannot be allowed. Keeping the facts in view the Consent to operate water/air application is hereby rejected. Unit may submit final report of IIT, Roorkee to Central Pollution Control Board, (CPCB) and seek suitable direction."

The Company thus suspended the operations of its plant located at Gajraula in October 2019. The Company filed fresh applications on November 21, 2019, for Consent to Operate, however, the same were dismissed by the UPPCB vide order dated February 4, 2020. The Company challenged the aforesaid order by separate appeals under Section 28 of the Water (Prevention & Control of Pollution) Act, 1974 and Section 31 of the Air (Prevention & Control of Pollution) Act, 1981 respectively before the Special Secretary, Department of Environment, Forest and Climate, Uttar Pradesh against the orders of UPPCB. However, the Special Secretary vide its order dated December 4, 2020, dismissed the appeals filed by the Company. The operations at the plant located at Gajraula, Uttar Pradesh, which is the only plant of the Company, has remained suspended since October 2019.

The Board had reviewed the legal options available and was of the view that there were no merits in pursuing the matter any further. The Board of the Company reviewed various options of the way forward for the Company. The Board is of the opinion that there is no availability of business prospects nor any long-term financial resources that presents a financially viable alternative to carry on the business activities of the Company or to resume the operations of the Company in the foreseeable future. The Board granted in principle approval for the voluntary liquidation of the Company in its meeting dated March 30, 2021. The Board further passed a resolution dated May 31, 2021 and accorded its consent to voluntarily liquidate the Company in accordance with Section 59 of the Insolvency and Bankruptcy Code, 2016 and the regulations made thereunder. The Board of Directors were of the view that there are no realistic alternatives for resumption of the Company's operations and accordingly, use of the going concern basis of accounting in the preparation of the financial statements is considered inappropriate and the financial statements for the year ended March 31, 2023 and March 31, 2022 have not been prepared on a going concern.

b) Voluntary liquidation process:

- (i) The Board of Directors of the Company had decided to initiate the voluntary liquidation process as envisaged under the provisions of the Insolvency & Bankruptcy Code, 2016 ("Code"). In this regard, the Board granted its in - principle approval for initiating the voluntary liquidation process of the Company in its meeting dated March 30, 2021 and accordingly on May 31, 2021, the consent of the Board of Directors was accorded to initiate the voluntarily liquidation process of the Company in accordance with the provisions of Section 59 of the Code and appointed Mr. Chandra Prakash, an Insolvency Professional who is duly registered with the Insolvency and Bankruptcy Board of India, as the Liquidator of the Company to conduct its liquidation process. The decision of the Board was also followed by similar resolutions being approved by the shareholders of the Company in the Extra-Ordinary General Meeting held on June 25, 2021 in accordance with Section 59(3)(c)(i) of the Code. Furthermore, on June 29, 2021 the said resolutions have also been approved by the Creditors representing two-thirds in value of the debt of the Company as required under the Section 59(3) of the Code.

(All amounts "Rs. in '000" unless otherwise stated)

- (ii) Accordingly, with effect from June 25, 2021, the Company is under voluntary liquidation process and Mr. Chandra Prakash (having registration no. IBBI/IPA-002/IP-N00660/2018-2019/12023) has been appointed as the Liquidator of the Company, who is discharging his functions and duties provided in the Code and the IBBI (Voluntary Liquidation Process) Regulations, 2017 ("VL Regulations").
- (iii) Upon his appointment as the Liquidator, the Liquidator published a public announcement calling upon all the stakeholders of the Company to submit their claims. The Public Announcement was published in accordance with Regulation 14 of the VL Regulations on June 30, 2021 and the last date of submission of claims as per the public announcement was July 25, 2021 (i.e. 30 days of the Liquidation Commencement Date).

As per the claims received by the Liquidator and consequent verification of the same, the status of claims as on May 30, 2023 is as under:

(Rs. in '000)

Particulars	Claims Received	Claims Admitted	Outstanding as on 30 May 2023*
Employees and workman	8,792	8,690	Nil
Operational creditors	5,574	Nil	Nil

* Claims aggregating INR 8,690 ('000) were admitted as per list of stakeholders which was published on the website of the Company as on November 01, 2021. All the admitted claims of INR 8,690 ('000), have been settled as on May 30, 2023.

- (iv) The Board of Directors had, in the Board Meeting dated May 31, 2021, authorised the Liquidator to sell the immovable and movable properties and actionable claims of the Company in the voluntary liquidation process, by public auction or private contract, with power to transfer the properties to any person or body corporate as a whole, or in parts as per Regulation 31 of the VL Regulations. Accordingly, the Liquidator in exercise of the powers under Section 35 of the Code, had published a Sale Notice on August 23, 2021, wherein Expression of Interests (EOI) were invited from prospective bidders to participate in the sale of the assets of the Company on a "100% cash, as is where is and without recourse basis". A Process Document containing details of assets, process for participation in the sale and terms and conditions of the sale was also uploaded on the website of the Company, for the benefit of the prospective bidders. The last date for submission of the EOIs was September 09, 2021 which was later extended to October 1, 2021 vide Addendum 1 to the Process Document dated September 09, 2021. The eligible bidders who had submitted a full and complete set of EOI and pre-bid documents in accordance with the Process Document, were allowed to access to the virtual data room and also site-visits of the Plant of the Company. The Prospective Bidders were expected to carry out their own comprehensive due diligence in respect of the assets of Company and are deemed to have full knowledge of the title, conditions etc. of the assets of the Company.
- (v) In furtherance to the Sale Notice and the Process Document, an E-Auction Sale Notice was also issued by the Liquidator on November 16, 2021 for sale of assets pertaining to the plant situated at Gajraula, Uttar Pradesh ("Gajraula Plant") and Non-Agricultural Freehold land admeasuring approx. 2,083 sq. yds. situated at Mehsana, Gujarat ("Mehsana Land"). Pursuant to the E-Auction Sale Notice, the eligible bidders, who had duly submitted the applicable Earnest Money Deposits (EMDs) for the respective assets, were invited to participate in the E-Auction of the aforesaid assets of the Company. The said E-Auction was conducted on November 26, 2021 and the results are as under:
- a) Only one bid for INR 420,000 ('000) (Reserve Price being INR 420,000 ('000)) was received for composite sale of Rights to the leasehold land admeasuring approx. 67 acres located at Gajraula Industrial Area, Uttar Pradesh along with the buildings and structures standing on the lands and all other fixed assets of the Company including Plant & Machinery, Furniture & Fixtures, inventory etc. pertaining to Gajraula Plant ('Disposal Group of assets'). Accordingly, the bidder was declared a successful bidder and a Letter of Intent (LOI) was issued by the Liquidator. As per the terms of the LOI, the successful bidder was required to pay the entire amount as an advance towards the sale consideration (on or prior to April 30, 2022) and as on April 28, 2022 the entire balance amount has been received by the Company. Accordingly, the transfer processes with UPSIDA and execution of definitive documents for transfer of the assets has been initiated. The sale will be recognised in books at the time of transfer of assets and issuance of confirmation of sale by the Liquidator. As per the LOI the successful bidder was required to complete the transfer processes with UPSIDA and execute definitive documents on or before June 30, 2022. The transfer process with UPSIDA could not be completed by June 30, 2022 and accordingly, at the request of the successful bidder, extension was provided to the successful bidder for completion of the transfer process with UPSIDA and execution of definitive documents till September 30, 2022. The successful bidder, has been granted extension till February 28, 2023, to procure the requisite approvals from UPSIDA by the the Liquidator vide e-mail dated January 3, 2023, to complete the process (including obtaining requisite approvals from UPSIDA) for transfer of land at Gajraula in accordance with the terms of the Process Document and the LOI.

(All amounts “Rs. in ‘000” unless otherwise stated)

- b) A successful bidder for Non-Agricultural Freehold land admeasuring approx. 2,083 sq. yds., Mehsana, Gujarat (“Mehsana Land”) was declared with a financial proposal of INR 3,850 (‘000) (Reserve Price being INR 1,650 (‘000)) and an LOI was issued by the Liquidator. However, the successful bidder failed to pay the full consideration within prescribed timelines, despite various extensions granted by the Liquidator and the bid process failed as no other bidder who participated in the bid process confirmed to continue with their bids submitted in the Auction. After due deliberations, the Liquidator proceeded to sell the Mehsana Land by way to a private sale to a person offering INR 2,300 (‘000) which was higher than the Reserve Price fixed for the Mehsana Land. Entire sale consideration of INR 2,300 (‘000) has been received by the Company and the process for transfer of Mehsana Land has been completed. The transfer processes and execution of definitive documents for transfer of Mehsana Land has been completed and the sale has been recognised in the books during the financial year ended on March 31, 2023. Net gain on disposal of the said investment property classified as held for sale amounting to INR 2,200 (‘000) is recognised in other income.
- (vi) Pursuant to Regulation 37 of VL Regulations, in the event of the liquidation process continues for a period of more than 12 (twelve) months, the liquidator is required to hold a meeting of the contributories of the Company within 15 (fifteen) days from the end of the 12 (twelve) months from the liquidation commencement date, and at the end of every succeeding twelve months till dissolution of the Company. Accordingly, the Liquidator held an Annual Contributories Meeting of Insilco Limited (Under Voluntary Liquidation) pursuant to Regulation 37(2)(a) of the Insolvency and Bankruptcy Board of India (Voluntary Liquidation Process), Regulations, 2017, on July 11, 2022 through Video Conferencing (VC)/Other Audio Visual Means (OAVM) wherein an Annual Status Report indicating progress in liquidation of the Company was presented to the contributories attending the meeting.
- (vii) Mr. Chandra Prakash, existing Liquidator of the Company, has informed the Board of the order dated 11 October 2022 passed by the Disciplinary Committee of the Insolvency and Bankruptcy Board of India (“IBBI”) in exercise of the powers conferred under section 220 (2) of the Insolvency and Bankruptcy Code, 2016 (“Code”) read with regulation 13 of the IBBI (Inspection and Investigation) Regulations, 2017 (“Order”). By way of the said Order, the IBBI has suspended the registration of Mr. Chandra Prakash as an insolvency professional, for a period of 1 (One) year. Subsequently, the Board of Directors with the approval of the members and creditors of the Company has appointed Ms. Kapila Gupta, an Insolvency Professional who is duly registered with the Insolvency and Bankruptcy Board of India, as the Liquidator of the Company to replace Mr. Chandra Prakash as the liquidator of the Company.

c) Adjustments to carrying values and classification of assets and liabilities

- (i) The Company’s management has assessed carrying value of assets and liabilities and based on current estimates, following adjustments have been made in the books of account:
- a) Impairment loss to the carrying values of Property, Plant and Equipment’s (PPE) and Intangible assets aggregating to Rs. 142,436 [‘000] has been recognized in the books of account based on valuation report of an external independent valuer during the year ended March 31, 2021. The valuation is considered to be level 3 in the fair value hierarchy due to unobservable inputs used in the valuation. Valuation of PPE has been carried out on the basis of following key assumptions:
- (i) Since the Zero Liquid Discharge (ZLD) is a mandatory requirement for setting up a new plant, the plant can no longer operate for manufacturing of silica. In view of the same the liquidation values of the assets have been considered by the independent valuer while making the estimate of recoverable amount. The basis for liquidation value approach considers the amount that would be realized when an asset or groups of assets are sold on a piecemeal basis that is without consideration of benefits (or detriments) associated with a going-concern business. A forced sale basis transaction with a shortened marketing period is considered for this valuation where the tangible assets are sold quickly, often for an extremely low percentage of their original cost.
- (ii) For buildings, the method is based on estimation of the cost spent in reproducing the present day structure and thereafter applying liquidation discount in line with market norms and it is assumed that steel structure will fetch more value than the Reinforced Cement Concrete (RCC) on a piecemeal basis.
- (iii) For Plant and Machinery and Other Assets, market approach of valuation has been adopted for estimating the reinstatement value/GCRC (gross current replacement cost). Combination of replacement method and comparison method is used for carrying out the valuation. Liquidation value analysis is carried out in line with market experience and expertise. These assets were categorised between specialised for silica plant and general items. The assets specific to the silica plant are considered at scrap value as per the independent valuers’ report, whereas for general items the balance useful life and type of asset has been considered for estimation of liquidation value by the independent valuer.

(All amounts "Rs. in '000" unless otherwise stated)

- b) Right of use assets (ROU) relating to leasehold land have been carried at cost as no loss is expected based on valuation report of an external independent valuer and LOI to the successful bidder. Sales comparison method under market approach of valuation has been adopted by the valuer for estimating the fair value of land. In an active or open market, the identical type of land parcel with similar characteristics are used for valuation. In case of unavailability of direct comparable, relevant adjustments are carried out on available quotes or transaction details with consideration of different factors affecting values of land for estimating the fair value. In order to determine the value of land parcel actual sales instances in the area have been considered. The rate for the subject property has been arrived by adjusting the factor for elapsed lease, size of the property and applying liquidation discount in line with market norms. Liquidation value analysis is carried out in line with market experience and expertise. The valuation is considered to be level 3 in the fair value hierarchy due to unobservable inputs used in the valuation. (Also refer note 33 (B) and 34).
- c) Write down adjustment to the carrying values of Stores and spares aggregating to Rs.12,988 ['000] has been recognized in the books of account during the year ended March 31, 2021 based on valuation report of an external independent valuer. Valuation of stores and spares has been carried out on the basis of following key assumptions:
- For spares of general plant and machinery scrap value is considered as per the expert valuation report. For spares related to specialised plant and machinery NIL value has been considered.
- d) Other assets have been recognised at current realizable value as per the Management's current estimate and loss allowance has been recognised during the year aggregating Rs. 11,567 ('000) (Previous year Rs. 10,620 ('000)).
- e) Liabilities have been recognised to the extent there is a present obligation at the reporting date.
- f) As at March 31, 2023, the Company is committed to dispose-off the assets and in view of LOIs to the successful bidders, as explained in note 33(b) above, the Company expects to recover the carrying value principally through a highly probable sale transaction within one year. Accordingly, in accordance with Ind AS 105, "Non-current Assets Held for Sale and Discontinued Operations", certain non-current assets aggregating to INR 61,336 ('000) (Previous year Rs. 67,241('000)) have been classified as 'Held for Sale' as at March 31, 2023. Liabilities directly associated with assets classified as held for sale amounts to Rs. 99 ('000) which is in relation to lease liability for leasehold land.
- Non-current assets classified as held for sale are measured at the lower of their carrying value and fair value less costs to sell. Further, as per the LOI, completion of sale of Disposal Group of assets is subject to execution of definitive documents upon receipt of UPSIDA approval for transfer of the leasehold.
- (iii) Future course of action, during the voluntary liquidation process, being adopted for realisation of the Company's assets and settlement of its liabilities, might affect the classification and measurement of carrying values of assets and liabilities of the Company. Further adjustment, if any, will be made upon finalization of future course of action for realization of the Company's assets and settlement of its liabilities.

Note 34:

During the Financial Year 2018-19, responding to the Company's application to District Magistrate for issue of no objection certificate ("NOC") for its proposed LPG project at Gajraula, Uttar Pradesh, the Uttar Pradesh State Industrial Development Authority ("UPSIDA", earlier UPSIDC) had asked the Company to submit its approved building maps and certain information relating to change in shareholding of the Company / its promoters since execution of the agreement with UPSIDA in the year 1989. Accordingly, on April 25, 2019 the Company had sent a letter to UPSIDA giving them necessary information regarding approved maps and the shareholding pattern of the Company as of March 31, 2019.

Consequently, a letter dated July 18, 2019 was received from UPSIDA asking the Company to submit certain information and documents to evaluate the quantum of transfer charges payable pursuant to change of the controlling interest in the Company by the promoters. The Company had submitted relevant documents and clarifications to UPSIDA in this regard. The Company had further submitted a request letter to UPSIDA to withdraw the letter dated July 18, 2019 and not to levy any transfer fee on the Company.

The Company had, however, received a letter dated July 1, 2020 from UPSIDA for approval of the change in Shareholding and Directors subject to payment of transfer levy of Rs. 809 lakhs and stating that the approval shall be subject to certain terms and conditions such as 'restriction on transfer of controlling interest for 5 years, execution of fresh lease deed with the Company, revision of lease rent to Rs. 6.82 lakhs per annum during the next 30 years and thereafter, and a further revision of lease rent to INR 13.64 lakhs per annum during the next 30 years'. UPSIDA had also sought an approved building plan regarding the Company's application for granting the NOC for the installation of proposed LPG project.

(All amounts “Rs. in ‘000” unless otherwise stated)

However, the Company felt that the above conditions levied were without any basis and were a resolute of incorrect understanding of the facts submitted by the Company. The Company had, therefore, replied to UPSIDA vide letter dated July 8, 2020 with a request to provide rationale / reason for imposing transfer levy and terms and conditions thereof. The Company further stated that there is no change in controlling interest and accordingly transfer levy and other terms of this letter are not applicable to the Company. The Company had also requested UPSIDA to give an opportunity to present the case in person before the concerned UPSIDA officials once the pandemic situation has been brought under control.

In response to the Company’s letter dated July 8, 2020, UPSIDA sent a letter dated July 24, 2020 to the Company and partially replied to the queries of the Company. In response to the UPSIDA letter, the Company had submitted a offer letter dated August 31, 2020 and mentioned that the offer letter is clearly incomplete as it does not provide any rationale/reasoning for the additional levies imposed. The Company had further mentioned in its response that the conditions levied in UPSIDA offer letter are absolutely ill-founded, without any basis and not at all applicable under present circumstances. The Company had requested UPSIDA to cancel the imposition of Transfer Levy on the Company.

On December 24, 2020, the Company had deposited a sum of INR 866 lakhs (including interest of INR 57 lakhs) to UPSIDA under protest which had been expensed off in the books of accounts during the year ended March 31, 2021 under the note 21 “Other Expenses” as “Transfer Levy” to the extent of INR 809 lakhs and under “Finance costs” as interest on Transfer Levy to the extent of INR 57 lakh towards Transfer Levy and interest respectively. The Company vide letter dated December 24, 2020 intimated UPSIDA regarding payment of Transfer Levy under protest and again reiterated that while the Transfer Levy and any interest on the said amount are not payable, however, as a law-abiding organization, the Company had decided to remit the Transfer Levy and the interest amount ‘Under Protest’ and without prejudice to the Company’s right under applicable laws and contract with UPSIDA. Further, the Company reserved its right to initiate appropriate steps for seeking and obtaining refund of all amounts from UPSIDA.

The Company in the said letter reiterated its position and mentioned that there is no alteration of legal and factual position of tenancy of the Company with UPSIDA and hence, the new lease deed is not required to be executed by the Company in terms of aforementioned UPSIDA’s letter dated July 1, 2020 and that the conditions levied in UPSIDA offer letter are absolutely ill-founded, without any basis and not at all applicable under present circumstances.

During the year that ended March 31, 2021, the Company has preferred a Writ Petition against UPSIDA titled “Insilco Limited v. State of U.P and Anr.” being Writ Petition No. 9669 of 2021, before the Hon’ble High Court of Allahabad (“Hon’ble High Court”) for quashing/ setting aside the Impugned letters dated July 1, 2020, July 24, 2020 and December 22, 2020 issued by UPSIDA, (“Writ Petition”) through which UPSIDA has imposed the various conditions on the Company with respect to Transfer Levy, Maintenance Charges, increase in lease rent, execution of a fresh lease deed which will entail additional liability towards stamp duty & registration charges on the Company, revision of lease rent and restriction on the Company from transferring controlling interest for a period of 5 (Five) years from July 1, 2020.

The transfer of the leasehold rights of the Company to the successful bidder (identified in the auction process conducted for the transfer of assets of the Company in the voluntary liquidation process) is subject to a no-objection certificate from UPSIDA. The Company had vide its letter dated May 24, 2022 sought such NOC from UPSIDA, to which UPSIDA responded stating that UPSIDA will not be able to issue the NOC for transfer of the leasehold interest of the Company during the pendency of the Writ Petition. While, the Company’s legal counsels had advised that the Company had a good case, however, they were not in a position to comment on the likely outcome of the proceedings since the matter was pending before the Hon’ble High Court for disposal. Since there was no visibility on the timeline for disposal of the Writ Petition, the Company had taken the decision to withdraw the Writ Petition so that the sale process may proceed. In light of the same, the Company had filed the application for withdrawal of the said writ petition before Hon’ble High Court. Accordingly, the Hon’ble High Court of Allahabad vide its order dated September 01, 2022 has allowed the Company’s application for withdrawal of the Writ Petition with liberty to approach the Hon’ble Court in case the dispute is not settled amicably.

Further a Sale Certificate dated April 04, 2023 been issued by the Liquidator for transfer of the leasehold rights of the Company to the successful bidder. On the basis of the sale certificate, an application has been filed with UPSIDA for seeking its consent for the transfer of the leasehold rights of the Company in favor of the successful bidder which is presently pending before UPSIDA.

Further adjustments, if any, will be made upon final resolution of the matter i.e on grant of NOC by UPSIDA. With respect to this matter, the Statutory Auditors qualified their audit reports for the year ended March 31, 2023 and March 31, 2022.

Note 35:

A. As reported earlier, the Company was in receipt of a communication dated July 7, 2021 from the office of Deputy Labour Commissioner/ Assistant Labour Commissioner ("DLC/ALC") Moradabad signed by the ALC, on July 14, 2021 and July 16, 2021 issued under the provisions of the UP Industrial Disputes Act, 1947 and UP Industrial Dispute Rules, 1957. We understand that 37 (Thirty-Seven) ex-employees of Company had filed applications before the office of the DLC/ ALC seeking their reinstatement in the Company along with certain other reliefs from the Company. The ex-employees in their applications before the office of the DLC/ALC have alleged that their services were illegally terminated by paying the voluntary retirement scheme ("VRS") and that the VRS was not specifically asked for by the employees. The nature of the complaints made by, and the reliefs sought by, all employees are similar. On behalf of the official liquidator (representing the Company), the local counsel, Mr. Anil Sharma, appeared before the ALC. It may be noted that out of the 37 (thirty-seven) employees, one employee had withdrawn his complaint. It may be further noted that the Company sent its written submissions to the ALC via registered post on November 1, 2021. The local counsel has informed that these written submissions were officially taken on record in the hearing that took place on March 15, 2022. The submissions that the Company had filed, brought on record the facts of the case and the lack of merits in the complaints. The local counsel has informed that the proceedings before the ALC have now concluded as failed. In this regard, the local counsel has provided the Company with a noting dated March 18, 2022, issued by the ALC ("Noting"), which is in Hindi language, and he has confirmed that the Noting records that the conciliation proceedings have concluded as failed.

Further, we have been provided with the copy of the order dated August 22, 2022, issued by the DLC in Hindi language. We understand from the translated copy of the order that the matter has been referred to the Labour Court for the purposes of adjudication. Basis our call with the local counsel, we understand that this order is in the nature of an intimation order, intimating the Company of the fact of the reference of the matter, and a summons will be separately issued to the Company for the purposes of appearing before the court and making the relevant submissions.

Thereafter, the Company has on October 21, 2022 received 35 (Thirty-five) summons in Hindi language, each dated October 17, 2022, from the Labour Court, Rampur, Uttar Pradesh ("Labour Court"), in relation to the applications filed by the ex-employees of the Company. We understand from a translated copy of the summons that the Company has been directed to be present through a duly authorised representative on November 18, 2022. On various subsequent dates, we understand that the Company through its local counsel, Mr. Anil Sharma, has filed authority letters in favour of the local counsel.

Thereafter, the cases were divided into (3) three groups by the Labour Court for convenience, being:

Group 1: Adj. Case No. 24/2022 to Adj. Case No. 35/2022

Group 2: Adj. Case No. 36/2022 to Adj. Case No. 47/2022

Group 3: Adj. Case No. 48/2022 to Adj. Case No. 58/2022

As on date, authority letters have been filed on behalf of the Company for all complaints. The local counsel has received the written statements on behalf of the Company for all groups of cases, which are to be exchanged with the ex-employees' own written statements. Further, we have been informed that the local counsel has filed the written statements on behalf of the Company and has received the written statements on behalf of the ex-employees for all groups of cases, except that of (a) Mr. Rohit Kumar Baliyan (Adj. Case No.28/2022), who has not yet filed a written statement; and that of (b) Mr. Zakir Hussain (Adj. Case No. 32/2022), who we understand to have died and in his stead, his wife has filed an application for being impleaded into the proceedings as his legal heir, and no written statement has been filed on behalf of Mr. Zakir Hussain.

As such, we note that the ex-employees have sought the following prayers, vide their respective written statements: (a) reinstatement to their old employment at the Company, on a continuous basis from the date of termination of employment, along with full salary and other allowances payable to them from the date of the termination; and (b) interest at a rate of 20% per annum on the salary pertaining to the period when the ex-employees were allegedly out of work.

The matter is now posted to the following dates:

1. Group 1 Labour Cases: June 03, 2023 for exchange of rejoinders.
2. Group 2 Labour Cases: June 15, 2023 for exchange of rejoinders.
3. Group 3 Labour Cases: June 17, 2023 for exchange of rejoinders.

B. Original Suit No. 449 of 2021 – Khilendra Kumar Verma & Ors. v. M/s Insilco Ltd.:

A suit numbered O.S. No. 449 of 2021 had been registered on September 13, 2021 ("Suit") before the Ld. Civil Judge (Senior Division) Amroha District Court ("Ld. Court"), instituted by 36 (thirty-six) former employees of the Company praying for a permanent injunction on the alienation of the machinery at the Insilco factory at Gajraula, Uttar Pradesh and revocation of the VRS offered to the employees. The suit has been registered by the Ld. Court and the Company had been directed to file its written statement in the suit vide order dated September 13, 2021.

(All amounts "Rs. in '000" unless otherwise stated)

Vide order of the same date, the Ld. Court refused to grant ex parte ad interim injunction in favour of the Plaintiffs on the ground that it is an employer-employee dispute and it would not be appropriate to grant such relief without hearing the Company. Accordingly, notice was issued to the Company in respect of the application.

Vide order of the same date, the Ld. Court appointed Court Commissioners to compile a report on and prepare a map of the factory of the Company to clarify the position relating to the machinery. The duly appointed Court Commissioners visited the premises of the factory of the Company on October 7, 2021. They are yet to file their report with the Ld. Court.

The Company has, through its Local Advocate, filed a Written Statement to the suit, reply to the Application for temporary injunction and other miscellaneous applications under Order VII Rule 11 read with Section 151 of the Code of Civil Procedure ("CPC") for rejection of the plaint owing to lack of cause of action against the Company and under Order I Rule 10 read with Section 151 of the CPC for substitution of the Defendant i.e. Manager, M/s Insilco Ltd with "The Liquidator, M/s Insilco Ltd" and also deletion of certain Defendants.

The Court Commissioners filed their report with the Ld. Court on April 11, 2022, which stated that the summons was duly served on the representatives of the Company present at the factory in Gajraula, but they were informed that the factory was not operational since October 26, 2019 due to the orders of the Uttar Pradesh Pollution Control Board. The report also notes that there is no evidence of any tampering with the machinery at the factory, while making a note of the general area of the factory and its surroundings.

In addition, the Plaintiffs in the Suit have filed a replication (response) to the Written Statement filed by the Company, as well as replies to the applications filed by the Company. Vide order dated July 25, 2022, the Ld. Court based on the pleadings filed by the parties was pleased to dismiss the injunction application filed by the Plaintiffs.

The Company's application under Order VII Rule 11 of the CPC was taken up for hearing on May 3, 2023. It was *inter alia* submitted on behalf of the Company that: (a) the jurisdiction of the Ld. Court is ousted as the Plaintiffs have also approached the Labour Court, Rampur; (b) no cause of action against the Company is disclosed in their plaints; (c) merely vague averments have been made in the plaints; and (d) the Plaintiffs' have suppressed material facts in respect of the Suit.

Vide order dated May 11, 2023, the Hon'ble Court passed its judgment allowing the Company's application under Order VII Rule 11 of the CPC and rejecting the Plaint filed by the ex-employees, on the ground that the jurisdiction of the civil court is barred and therefore, the Plaint itself is barred by law. The Suit has therefore been dismissed. The Company shall be filing certain caveats before the Ld. Court, through the Local Advocate, so as to ensure that no appeal against the aforementioned order is filed without prior intimation to the Company.

Note 36 :

During the quarter ended June 30, 2021, Mr. Vinod Paremal had been appointed as the Managing Director of the Company by the members in their Extra-Ordinary General Meeting held on June 25, 2021, has been approved by Central Government by his approval letter dated April 12, 2023.

Note 37 :

Due to COVID-19 pandemic there is no major impact on the business of the Company as the plant operations had already been suspended since October 26, 2019 due to refusal of Consent to Operate by UP Pollution Control Board (UPPCB). The Company does not have any outstanding debt or other financing agreements. The Company has adequate digitized systems which ensured smooth internal financial reporting and control in this situation.
